U12 Boys Field do have more time slotted for their games should they choose to warm up a bit☺

# **Divisional Soccer Tournament**

**Saturday, June 12<sup>th</sup> 2010**                      **Fraser Lake**

## **Information:**

### **Rules:**

Tournament is a round robin format.

All games will consist of **2 25 minute halves with a 5 min break.**

**U16's will be 2 35 min halves with 5 min break.**

**Winning team needs to report to the info booth** the score of game.

2 points will be awarded for a win, 1 for a tie and 0 for the loss.

If teams are tied at the end it will go head to head first and then goals for will be totalled and if still tied then goals against will be totalled and finally if needed a coin toss. Should both teams still be present and choose to do a shoot out that would be fine too....but both teams must be in agreement.

Number of players on the field for the U12 is the same as always. **Each team will need to provide one linesman per game!** This is very important so please coaches make sure your parents are aware.

### **Ref's:**

Will be paid \$20 a game. They will be provided with a free lunch from the concession. Please report to the info booth at the end of the day for payment. . Please be sure to start **ALL games on time...if they are started later it does NOT run over...**they just miss that time! Any problems or questions call me, **Amber 699-1065**. I will have this phone with me all day and **thank you so much☺**

**Concession:** Will be open 8am – 6pm outside at the arena.

**Washrooms:** There are washrooms at the end of the arena and inside. The school will be open at FLESS to use the washrooms.

**Report to Info Table:** Please have coaches and refs report to the info table before their first game. There will be a water station at the concession for players to fill their bottles. Teams will also be given tickets for their players so they can win prizes at the end of the day. They must be present with their ticket to win. Trophy presentation and prizes will be done at 5pm at the info booth.

**Water station was donated by Technopure Water.....THANKS!**
