Burns Lake Soccer Arboretum Trail

Every sponsor in excess of \$500 will be recognized as a partner to the trail construction and will be individually named on one of the educational plaques for the trees. The plaque will describe the range of the tree, its major significance and/or trivia regarding the tree species, and the sponsor's business name, family name or a memorial, as selected. Your donation to the project will be used to develop the Arboretum trail and maintain club programs. Receipts will be issued. Thanks for helping us make Burns Lake a better place and for supporting the Burns Lake Soccer Club.
